this book undertakes a critical survey of art history across europe examining the recent conceptual and methodological concerns informing the discipline as well as the political social and ideological factors that have shaped its development in specific national contexts

cultures are shaped by many institutions and agencies including governments corporations education and the media in recent years research into these culture shaping activities has been increasingly associated with the developing field of cultural policy studies the cultural policy review of books offers a fascinating insight into the intellectual formation of many of the leading figures that have contributed to this field invited to write a short review essay on the book that had most influenced their thinking 41 academics and researchers from around the world reveal what they consider to be essential reading including essays on bourdieu de certeau foucault gramsci habermas and williams as well as many lesser known writers the collection throws new light on the intellectual underpinning of cultural policy studies it will be of interest not only to researchers students and teachers in this field but to all those looking to understand the forces that shape the culture of modern societies

le rapport que la sociologie entretient avec la critique sociale n'a cessé de hanter cette discipline depuis les origines la sociologie doit-elle être mise au service d'une critique de la société ce qui suppose de rendre compatibles description et critique la critique détourne-t-elle la sociologie de son projet scientifique ou en est-elle la finalité sans laquelle la sociologie ne serait qu'une activité vaine détachée des préoccupations que nourrissent les personnes en société cette question a déterminé les couples d'oppositions fondateurs entre faits et valeurs idéologie et science déterminisme et autonomie structure et action approche macro et micro sociales explication et interprétation etc elle dicte deux des principaux programmes qui aujourd'hui configurent la discipline la sociologie critique des années 1970 particulièrement dans la forme que lui a donnée en France Pierre Bourdieu la sociologie pragmatique de la critique développée dans les années 1980-1990 dans la sociologie critique la description en termes de rapports de forces met l'accent sur la puissance des mécanismes d'oppression sur la façon dont les opprimés les subissent passivement allant dans leur aliénation jusqu'à adopter les valeurs intériorisées sous la forme d'idéologies qui les asservissent la sociologie pragmatique décrit les actions d'hommes révoltés mais dotés de raison porte l'accent sur leur capacité dans certaines conditions historiques à se lever contre leur domination à forger des interprétations nouvelles de la réalité au service d'une activité critique Luc Boltanski propose ici un cadre permettant d'articuler ces deux approches apparemment antagoniques l'une déterministe et réservant le beau rôle à la science éclairante du sociologue l'autre soucieuse de se tenir au plus près de ce que disent et font les personnes ce travail d'unification le conduit à réélaborer des notions centrales pour la sociologie comme celles de pratique d'institution de critique et finalement de réalité sociale il a pour ambition de contribuer au renouvellement actuel des pratiques de l'émancipation

these critical essays bring together prominent scholars in the social sciences to consider the diverse nature of the legacy of Pierre Bourdieu in contemporary social theory in offering a range of perspectives on the continuing relevance of Bourdieu's sociology the essays of this volume
