the fourth edition retains the elements of the text that have contributed to its success while also broadening its appeal written in an informal accessible style author craig e johnson takes an interdisciplinary approach to leadership ethics while blending research and theory with practical application this unique text promotes ethical decision making and action through skill development self assessment and application exercises in the fourth edition a new chapter ethical crisis leadership explains five ethical principles and strategies that are essential to fulfilling moral duties during

times of crisis leadership ethics at the movies features present short summaries of feature films that portray ethical dilemmas discussion starters are included to prompt readers to draw ethical implications and applications from the films self assessment features measure the reader s performance on an important behaviour skill or concept discussed in the chapter implications and applications review key ideas and their ramifications for the reader as a leader for further exploration challenge and assessment encourages readers to engage in extended reflection and self analysis focus on follower ethics boxes that broaden coverage of the text and introduce concepts students can apply to their role as followers three cases per chapter offer real world examples for analysis and reflection a lengthy reference section at the end of the book serves as a starting point for further research and exploration instructors resources include teaching strategies a test bank sample syllabi assignment descriptions and more

the covid 19 pandemic will be seen as having had a profound effect on how we live and work as well its economic and health repercussions but it also brought ethical issues and challenges into focus from fake news to issues of individual freedom this edited collection addresses these issues and others including vaccine distribution incentivization administration and mandates the unprecedented challenges faced by healthcare workers crisis communication and response conundrums and societal burdens this is a companion book to ethical implications of covid 19 management evaluating the aftershock also published by ethics international press

provides an in depth look at the emerging field of online research and the corresponding ethical dilemmas issues covered include autonomy justice and benevolence informed consent privacy ownership of data research with minors and respect for persons

international business ethics challenges and approaches edited by georges enderle is a pioneer in this widely uncharted field of international business ethics this volume includes the work of 39 contributors half of them from non western countries first presented at the first world congress of business economics and ethics hosted by reitaku university and the institute of moralogy in japan together their articles paint an extraordinarily rich multidisciplinary picture of international business ethics as it evolves and delineate the contours of how international business ethics may develop at the turn of the millennium

in a span of 81 days in 1978 henry rono broke four world records committing the most ferocious assault on the track and field record books by a middle distance runner in the history of the sport this is what henry rono is known for however it is not who henry rono is henry rono was born a poor nandi in kenya s rift valley after an accident when he was two doctors believed he would never again walk this would be the first of countless obstacles rono would have to overcome in order to pursue his two life goals to first become the greatest runner in the world and then to become the best teacher he could be rono s first goal was accomplished in 1978 when he was considered not only the greatest track and field athlete in the world but also by many to be the world s greatest athlete period his second and greater goal to become a teacher was more difficult in coming once rono became a star coaches agents meet directors and corrupt kenyan athletic officials whose boycotts of the 1976 and 1980 olympics turned rono s

dreams of olympic gold into olympic smoke rings wanted him to serve as their personal moneymaker and so they did everything they could to discourage rono s pursuit of an education and dream of teaching the corruption and discouragement rono encountered as well as his alienation and exile from his homeland and family pushed him to 20 years of alcoholism and even occasional homelessness this is the life story of henry rono whose descent from triumph to abyss and whose subsequent ascent from abyss to triumph are perhaps steeper than those of any track and field athlete in history

this thoroughly revised and updated third edition of the ethics challenge in public service is the classic ethics text used in public management programs nationwide it also serves as a valuable tool for public managers who work in a world that presents more ethical challenges every day it contains a wealth of practical tools and strategies that public managers can use when making ethical choices in the ambiguous pressured world of public service the book contains new material on topics including social networking the use of apology ethics as applied to public policy working with elected officials and more
